Accessorial	\$	Accessorial	\$
Accessorial	\$	Accessorial	\$
TOTAL CARRIER PAY		\$	

No accessorial charge of any kind is payable unless authorized in writing by an Assured Freight representative BEFORE the charge is incurred. Accessorials invoiced without prior written authorization will not be paid.

Terms and Conditions

- Governing Agreement.** This Rate Confirmation is issued under and incorporated into the Broker/Motor Carrier Agreement between Assured Freight Lines Inc. and Carrier. In the event of conflict, the Broker/Motor Carrier Agreement controls except as to the load-specific rates and requirements stated above.
- Acceptance.** Carrier's signature below, dispatch of a driver, or arrival at the pickup location constitutes acceptance of all terms stated in this Rate Confirmation.
- No Re-Brokering.** Carrier shall not re-broker, co-broker, subcontract, interline, or otherwise transfer this shipment to any other carrier without the prior written consent of Assured Freight. Violation voids all payment obligations to Carrier, and Carrier shall remain fully liable for the freight and for any resulting loss, damage, or additional cost.
- Accessorial Authorization.** No detention, layover, TONU, lumpers, stop-off, or other accessorial charge is payable unless authorized in writing by Assured Freight prior to the charge being incurred. Detention requests must be accompanied by documented arrival and departure times and must be reported to Assured Freight while the driver is still on site.
- Tracking and Communication.** Carrier shall provide dispatch confirmation, loaded and empty calls, and check calls as requested, and shall accept electronic tracking where required. Carrier shall notify Assured Freight immediately of any delay, breakdown, service failure, or missed appointment.
- Documentation and Invoicing.** Carrier shall submit a signed, clean bill of lading or proof of delivery along with its invoice, referencing the Load Number above, within twenty-four (24) hours of delivery. Payment terms are net thirty (30) days from receipt of a complete and accurate invoice package unless otherwise agreed in writing. Incomplete or inaccurate submissions may delay payment. Where Carrier has assigned its receivables to a factoring company, a valid notice of assignment must be on file with Assured Freight prior to pickup.
- Insurance.** Carrier shall maintain, at minimum, auto liability of \$1,000,000, cargo coverage of \$100,000 (or the declared value stated above, whichever is greater), and workers' compensation as required by law. Coverage must be in force for the duration of this shipment with no exclusions applicable to the commodity or service being performed.
- Cargo Loss and Damage.** Carrier is liable for loss of or damage to the freight under 49 U.S.C. § 14706. Carrier shall notify Assured Freight immediately upon discovery of any loss, damage, shortage, temperature deviation, or refusal, and shall not dispose of, salvage, or return any freight without written instruction from Assured Freight.
- Seals, Temperature, and Condition.** Where applicable, Carrier shall verify seal integrity at pickup and delivery, record the seal number on the bill of lading, and maintain the required temperature continuously. A broken, missing, or unrecorded seal, or an out-of-range temperature reading, may result in claim liability.
- Appointments and Service Failure.** Times stated above are firm. Carrier is responsible for late fees, chargebacks, rejected freight, or other damages assessed against Assured Freight arising from Carrier's late arrival, missed appointment, or service failure.
- Non-Solicitation.** Carrier shall not solicit, contact, or accept freight directly from any shipper, consignee, or customer introduced to Carrier by Assured Freight for a period of twelve (12) months following the last shipment moved under this Rate Confirmation. Communication with the shipper or consignee is limited to matters necessary to complete this shipment.

12. Double Payment. Carrier acknowledges Assured Freight is the sole party responsible for payment. Carrier shall not attempt to collect from the shipper, consignee, or any third party, and shall indemnify Assured Freight against any such claim.

13. Governing Law and Venue. This Rate Confirmation is governed by the laws of the State of Florida. Venue lies exclusively in the state or federal courts located in Lee County, Florida.
